PETITION FOR LEAVE TO AMEND

Sample Broadcasting Company, L.P., ("SBC") by its attorney hereby petitions for leave to amend the above-referenced application. This amendment is filed pursuant to Section 73.3522 and 1.65 of the Commission's rules to show a new mailing address for the applicant and its general partner, as well as to update the family broadcast interests of Bruce Linder, the applicant's non-attributable principal. In support of this amendment, the following is shown.

The amendment is minor and technical in nature. It is provided in order to keep the application true and correct pursuant to obligations prescribed under Section 1.65 of the Commission's rules. As of December 1992, SBC's general partner, Carmela Sample, will reside at the address

or necessitate additional hearing; (5) will not unfairly prejudice other parties; and (6) will not cause the applicant to gain a comparative advantage.

SBC's amendment meets each requirement. This amendment is timely inasmuch as it is filed within 30 days of the effective date of the address change. While the move is voluntary, the Commission employs a relaxed standard for minor matters such as a change of residence. The change of address will not necessitate any issues to be designated against Sample's application. The Commission realizes fully that an applicant may change its address during the pendency of its application.

The new amendment will not disrupt the orderly review or processing of SBC's application. This amendment will not affect SBC's comparative stature before the Commission and will not unfairly prejudice the Commission nor any other party.

Accordingly, there is good cause to accept the attached amendment
